Free Mulch Program

The City of Burbank Forestry Division offers free mulch to Burbank residents at three locations throughout the City. Home delivery is available for large quantity loads. The amount of wood to leaves in the mulch will vary.

THE BENEFITS OF MULCH

- Mulching is essential to the survival of your landscape during a drought. Mulch will reduce the amount of water that evaporates from your soil, greatly reducing your need to water your plants.
- Mulch improves the quality of your soil by breaking up clay and allowing better water and air movement through the soil. Mulch provides nutrients to sandy soil and improves its ability to hold water.
- Mulch acts as an insulating layer on top of soil, keeping it cooler in the summer. Roots like that!
- Mulch keeps weeds down, and the weeds that grow are much easier to pull.

PICK-UP LOCATIONS

Residents must load and transport their own mulch. Locations are resupplied as mulch becomes available.

Gross Park - 2800 West Empire Avenue
6:00-10:00 p.m. (back of parking lot along fence)

McCambridge Park - 1515 North Glenoaks Boulevard
(Andover Drive parking lot near ballfield #1)

HOME DELIVERY

The Parks and Recreation Department offers free, large quantity, home delivery to Burbank residents. Requests for home delivery may take up to two weeks to fulfil and requires a signed waiver. Loads are generally placed in the residents' driveway.

Full Load = approximately 10-12 cubic yards, covering 1000 square feet at 3-4 inches thick

Half Load = approximately 5-6 cubic yards, covering 500 square feet at 3-4 inches thick
